

Monday 12/18/2023	Tuesday 12/19/2023	Wednesday 12/20/2023	Thursday 12/21/2023	Friday 12/22/2023
7th Grade Ch. 2 Review Day Standards 7.EE.3 Solve multi-step real-life and mathematical problems posed with positive and negative rational numbers in any form (whole numbers, fractions, and decimals), using tools strategically. Apply properties of operations to calculate with numbers in any form; convert between forms as appropriate; and assess the reasonableness of answers using mental computation and estimation strategies. For example: If a woman making \$25 an hour gets a 10% raise, she will make an additional $\frac{1}{10}$ of her salary an hour, or \$2.50, for a new salary of \$27.50. If you want to place a towel bar $9\frac{3}{4}$ inches long in the center of a door that is $27\frac{1}{2}$ inches wide, you will need to place the bar about 9 inches from each edge; this estimate can be used as a check on the exact computation. Instruction Warm Up: #59 Vocab: percent equation, percent proportion, percent	7th Grade Ch. 2 Test Day Instruction Warm Up: None Vocab: Vocab: percent equation, percent proportion, percent of change, discount, sales tax, tip, markup - Start Ch. 2 Test (Forms 1A, 2A, 3A) - they have today and tomorrow to take the test - Calculators are allowed Assessment Ch. 2 Test	7th Grade Ch. 2 Test Day Instruction Warm Up: None Vocab: Vocab: percent equation, percent proportion, percent of change, discount, sales tax, tip, markup - Finish Ch. 2 Test (Forms 1A, 2A, 3A) - if students are done they can look to redo any assignments from Ch. 2 - Calculators are allowed Assessment Finish Ch. 2 Test	7th Grade Christmas Day Party Instruction 8:05 - 8:15 Advisory 8:15 - 10:15 Movie 10:30 - 11:10 Activities 11:15 - 11:55 Activities 11:55 - 12:20 Lunch 12:20 - 12:50 Trivia Challenge 8th Grade	No School Day No School Day Winter Break
	8th Grade Ch. 3 Test Learning Target <i>Students will demonstrate their understanding of slope, slope-intercept form, and solving systems of equations by graphing and using algebra.</i> Instruction Warm Up: None Vocab: rate of change, slope, y-intercept, slope-intercept form, standard form, system of equations - students will have class time to finish their Ch. 3 test	8th Grade Christmas Bingo/Redo Test Instruction Warm Up: #61 Vocab: None - Christmas Review Bingo - found in 8th grade folder and binder - buy prizes and wrap for winners - rest of the time to redo tests Assessment Redo Tests if needed		

of change, discount, sales tax, tip, markup

- students will play a review game that covers lessons 2.1 - 2.7 to help them prepare for their test
- students will be split into groups of 2 - 4
- we will play Gamble or Gaurantee
- use Ch. 2 Review Canva Presentation
- if there is extra time they can finish their 2.7 Shopping Spree Activity

Assessment

Finish Shopping Spree Activity

- if students finish, they can redo assignments or finish any late work
- if students' test are corrected, they can redo those as well if they have the opportunity to

Assessment

Finish Ch. 3 test

8th Grade

Ch. 3 Test

Learning Target

Students will demonstrate their understanding of slope, slope-intercept form, and solving systems of equations by graphing and using algebra.

Instruction

Warm Up: None

Vocab: rate of change, slope, y-intercept, slope-intercept form, standard form, system of equations

- students will start their Ch. 3 test over equations with two variables

- if they don't finish, they will have tomorrow to finish them as well
- if they finish, they can work on redo's or any missing assignments from Ch. 3

Assessment*Ch. 3 Test*
